

ENVIRONMENTAL POLICY

At Hotel Cittar we are committed to the implementation of proactive measures to help protect and sustain the environment for future generations.

We recognise the impact of our operations on the environment and aim to minimise any detrimental effects that may occur.

By working together with our Guest, as our Partner, we can contribute to making a cleaner and safer environment and ensure environmental issues remain a focal point and receive proper attention.

In delivering our commitment we will :

- Comply with relevant environmental legislation and take a proactive approach to future requirements and obligations.
- Seek to conserve natural resources through the responsible use of energy, water and materials but also maintaining the quality of service expected by our guests.
- Monitor performance and aim for continued improvement by reducing, re-using, and recycling in areas such as energy consumption, reduction of waste materials and water consumption.
- Work with suppliers who have compatible policies for managing their impact on the environment.
- Through our active environmental team we will ensure that our efforts are continually reviewed, renewed, improved, updated and communicated to all staff and to our Guest.

Examples of everyday actions

Recycling of

- Paper, cardboard, glass , plastic, cooking oil, toner cartridges, fluorescent tubes.

Saving energy by

- Monitoring electricity consumption.
- Use of low energy light bulbs.
- Re-use towels on guest request.
- Building management systems that control temperature throughout the building.

Reduction of (well communicated & with help of our Guest)

- Water and washing powder consumption.
- Water consumption by ongoing installation.
- Electricity consumption.
